Exciting Mobile Integration

Your Phone System ANYWHERE!

- **Make & Take Calls**

Place calls with the same Caller ID as if you are in the office. Calls ring to your mobile device wherever you are

- **Transfer**

Easily transfer calls to other office staff or directly to another clients number seamlessly.

- **Conference**

No 3-way limit, add colleagues or clients to your conference with no restrictions.

- **Voicemail**

Unified presence, no longer managing accounts on your mobile and office phones
